1. Please advise Harold R. MCFARLAIN that the hospitalization application forwarded via reference (A) is being processed, and the effective date of coverage is 27 November 1960.
2. Please advise Charles E. PARZONI that his U. S. Savings Bonds will be retained in Headquarters pending his return. The Payroll Office handling PARZONI's accounts has determined that this is a more secure method of making sure he receives them in person, rather than sending the bonds in care of the party indicated in reference (B).
3. Please advise EDEN A that as a result of the Proficiency Test he took while assigned locally, he obtained a Proficiency Score of 87. As the Minimum Proficiency Score for award of Proficiency Pay is 94, he is not eligible for the award of Proficiency Pay.
4. Forwarded using separate cover is another envelope containing copies of Travel Orders for personnel currently assigned JMASH and J-EIL.
5. Please advise Oliver H. CORBETT that the annual premium on his Specified Diseases policy is due 30 November 1960. The Family Plan for this policy is \$10.00. Inasmuch as a grace period of one (1) month is granted, you may advise CORBETT to submit a check for the premium amount to Headquarters as soon as possible.

ACTION REQUIRED - REFERENCES

1. It is requested that the attached application for Health Insurance be given to Harold R. NOEMAYR for completion. NOEMAYR may retain the covering memorandum which outlines his coverage. The completed forms should be returned to Headquarters for processing. The premiums will be deducted from NOEMAYR's salary. Headquarters will notify NOEMAYR when his policy is in effect.
2. Please explain to NOEMAYR that this plan covers basically two types of health insurance. 1: the normal hospitalization explained in paragraph 3 of the attachment which includes in- and out-patient care, surgery and maternity. The allowable expenses covered under this section are immediately reimbursable within the limits of the plan. 2: the major medical benefit plan described in paragraph 4 covers miscellaneous medical expenses not normally connected with hospitalization such as doctors' office visits, doctors' home visits, prescriptions, injections and medications given by doctors, X-rays and other laboratory work done in connection with diagnosis or treatment, etc. The insured pays up to \$100 of such allowable expenses under this category for each member of his family. If expenses exceed this \$100 for any person during the calendar year, then the policy will pay for 80% of their additional expenses. In connection with this phase of the plan, it is suggested that NOEMAYR be advised to have his family keep a detailed record of all medical expenses incurred by each member of the family.
3. NOEMAYR should be advised that under the hospitalization section of the plan, up to \$75.00 can be reimbursed for surgical fees in connection with a tonsilectomy, whether the tonsilectomy is performed in a hospital or in the surgeon's offices.

NOTE FOR THE RECORD:

NOEMAYR is a Career Agent in Mexico City on Project LIEDGE. According to Charlotte Zehrung he is to depart Mexico City for Hqs upon the arrival of HEGARTY. HEGARTY is scheduled for a medical release about 29 Feb 60 and should arrive in Mexico about 20 March. After a few weeks overlap, NOEMAYR should depart for Hqs about 1 April 60, ready to go to work. According to Charlotte he prefers to take no home leave.

Apparently Mr. Gomez has been working with the Covert Training people in an attempt to place him in that type of activity in a cover status. Per Col. King on 10 Feb Covert Training indicated that they had no interest in subject and Col. King requested the above information for use in his contact with Col. Baird in a further attempt to place NOEMAYR with OTR.

MEMORANDUM FOR: Chief, OTR
FROM : Chief, WHD
SUBJECT : Harold R. NOEMAYR (ps)

Feb 1960

1. Reference is made to our telephone conversation on 10 February 1960 regarding the possible use by your office of Subject. Attached for your information are some facts concerning his personal and operational background.

2. NOEMAYR has successfully worked for KUBARK under deep cover for eleven consecutive years. All operations officers handling subject and his training officers at Headquarters have commended his operational capability and achievements. He received an official commendation from the agency for his work in Cuba.

3. WH Division has several motives for wishing to bring NOEMAYR to Headquarters for a tour of duty.

a) After having lived and worked for so long under deep cover without being able to mingle freely with Americans he needs to return to the United States for mental and physical readjustments for himself and his family. The fact that his wife has not been able to become an American citizen and that his children have not had an opportunity to live in the States has been of understandable increasing concern to NOEMAYR. This, combined with the stress of his double life required by his deep cover position and his non-association with anyone except his Case Officer with whom he can discuss his work and problems has been making him increasingly more tense during the last year or two. NOEMAYR is an extremely capable Operations Officer and WH Division earnestly believes that it is KUBARK's responsibility to bring this man and his family to the United States for two years. Your cooperation in this effort is being sought.

b) NOEMAYR, even though he has received Headquarters covert training, still needs to be closely associated with Headquarters for a tour to acquire additional background on operational techniques and approaches and to be exposed to Headquarters' activity and thinking. This experience is requisite to making a well-rounded intelligence operator out of NOEMAYR and will certainly affect his future usefulness to KUBARK.

c) A Headquarters tour will enable NOEMAYR's wife to become a United States citizen and permit his children to receive, at least, a part of their education in the States.

4. WH Division plans to bring NOEMAYR to the States the end of March 1960 in his capacity of a Career Agent. At that time a cover will be arranged for him which will be consistent with his Headquarters assignment. Appropriate cover will be decided upon only after consultation with your office if you decide to use NOEMAYR.

5. As a Career Agent, NOEMAYR will continue to be funded under LIERGE, his present project. All funds required to support NOEMAYR and his activity will be charged to this project against the WH Division allotment. In addition, WH Division will handle all administrative problems connected with NOEMAYR, such as renewal of the project, [redacted] after coordinating such action with your office.

6. WH Division has confidence in NOEMAYR and believes he can be of value to OTR in its training program. The Mexican desk will be glad to work closely with you in the handling of NOEMAYR if you so desire. NOEMAYR is enthusiastic about his impending Headquarters assignment and is anxious to start work immediately upon return to the United States.

7. If you desire any additional information on NOEMAYR, I will be happy to make it available on request.

III. CONTRACT

NOEMAIR was first placed under contract by KUBARK on 1 June 1949. He is now under contract as a Career Agent. He is a GS-12.

IV. COVER

NOEMAIR is operating under a notional cover. He supposedly was sent by the "Public Surveys Institute" of Dallas, Texas, into Mexico to investigate the prospects of establishing a Mexican affiliate. He supplements his income by free-lance writing. He actually has had articles published in Bohemia and Boys Life. Subject can show these articles to support his cover. On one operational trip he took photographs which appeared in the New York Times and the New York Daily Mirror. To further cover his sources of income NOEMAIR has let it be known that he owns property in Costa Rica and in Cuba and that rentals provide him with monthly income. When Subject returns to the U. S., WH Division will request Cover Division to assist NOEMAIR in establishing a new, back-stopped cover which can be used during his tour here.

V. TRAINING

NOEMAIR received covert training at Headquarters during October and December 1953 in all phases of basic tradecraft. He was rated above average by all three of his instructors.

NOEMAIR was given additional covert training in May 1958.

VI. OPERATIONAL BACKGROUND

In early 1953 he was transferred to the PBSUCCESS Project with additional duties [redacted]

In 1954 he transferred to Cuba [redacted] went under cover as a student since he had one more year of academic work to finish in order to receive a B.A. in Economics. In Cuba he worked on penetration of the Communist targets at the University of Habana. During the same period he was also in contact with subversive oppositionist elements.

In May, 1957, Chief CI/ICD recommended that NOEMAYR be considered for spot assignments of making recruitment pitches throughout Latin America to CP targets. This recommendation was made after Mr. Paul Burke, Deputy Chief CI/ICD, had an informal discussion with NOEMAYR on 9 May on this subject. Mr. Burke believed NOEMAYR would be an effective recruiter and NOEMAYR expressed an interest in such assignments.

In May, 1958, he volunteered to go to the rebel mountain headquarters of Castro, in Cuba, to obtain information for KUBARK. He received a commendation for his work during this special assignment.

HOEMAIR was transferred to Mexico on 7 June 1958 where he has been handling Communist Party penetration agents and informants.

He spent January 1959 in Cuba on a TUY assignment similar to that he undertook in March of 1958, and for which he received his commendation.

In May 1959 NOEMAYR was awarded a monetary bonus of \$300.00 in recognition of his outstanding services on behalf of KUBARK in the Sierra Maestra area during the early part of 1958. For his outstanding performance on this assignment and his great devotion to duty, NOEMAYR received a personal commendation from General Cabell. In early January 1958 NOEMAYR volunteered to undertake a mission to contact Cuban rebel leader Fidel Castro in the Sierra Maestra mountains in Southeastern Cuba. He spent approximately three weeks in the mountain hideout of Castro's headquarters during which time he even joined them in an actual attack on the town of Manzanillo.

		INDEXING CAN BE JUDGED BY QUALIFIED HQ. DESK ONLY	

1. Field traces reveal the following on the CORDERO Calderon family:

- a) Federico was born on 29 March 1912, has been living in Panama for several years, and is currently employed at the Union Club in Panama City;
- b) Antonio had been living for several years in the Pacific Banana Zone city of Quirós, Costa Rica. Recently, he was placed in jail in San Juan de Tibas (a suburb of San José) on a charge of robbery;
- c) Mario was born in San José on 7 February 1920 and was a militant communist prior to and during the 1948 Costa Rican Revolution. After the revolution, he left the Party voluntarily, but was reported to have been actively sympathetic towards communism for the past ten years. Another source reported this month that Mario is visited regularly by communists, who leave printed propaganda with him;
- d) Adriana was born in San José on 12 November 1928 and is currently living in San José, employed as a chenemaker in a shop owned by a communist. He is reported to be sympathetic to communism;
- e) Angela Argentina was born in San José on 15 March 1915, now living in Mexico with her husband who is a PRIME citizen. They own a house in San José, in which Mario (see c. above) now lives;
- f) Lindys was born in San José on 27 February 1923, is married (common law) to a Spaniard, and has resided in Spain for many years;
- g) Consuelo is living in New York City, working in a beauty parlor; there are no available traces on José or Isabel.

2. Discrepancies will be noted on the vital statistics as opposed to those in reference; Costa Rican Civil Registry files are the Station's source. The Registry had no file on either José or Isabel. Station files, inquiries to Station assets, and an investigation conducted by HUBURBOT accounted for the narrative portions of the traces. The above traces include all of the information available to the Station.

ACTION REQUESTED	Base, information only	SEARCHED FOR INDEXING	NO INDEXING REQUIRED

REFERENCE:			

- L. At an operational meeting on 8 July 1959, EDWARDIR/J told HUARAHAW that he was aware of the efforts of Marie COAVERO Calderon to penetrate the PNP, presumably on COMINT behalf. Without waiting for a reply, EDWARDIR/J then pleaded with HUARAHAW to stop these efforts for the following reasons:
- while handled by EDWARDIR several years ago, EDWARDIR/J often had operational meetings in HUARAHAW's house. On occasion, EDWARDIR/J would be entertained by HUARAHAW's wife and mother-in-law until EDWARDIR's arrival for the meeting. EDWARDIR/J has harbored a deep fear for years that Subject (EDWARDIR's brother-in-law) might have seen EDWARDIR/J enter or leave the meeting site, or that HUARAHAW's wife, a Santa Elena national, might have (victimally or otherwise) exposed EDWARDIR/J to her brother.
 - EDWARDIR/J who knows COAVERO personally, claims that COAVERO was probably a poor choice for a party penetration, since he was known to be actively sympathetic to the PNP for the past ten years. In addition, EDWARDIR/J doubted that COAVERO had the necessary qualifications of intelligence and discretion to perform in the capacity of a penetration agent.
2. HUARAHAW denied any knowledge of a penetration attempt, and assured EDWARDIR/J that no action would ever be taken to counter EDWARDIR/J's position. At an operational meeting with the project case officer later the same evening, HUARAHAW expressed deep concern over EDWARDIR/J's state of mind concerning COAVERO, and tactfully entreated against COAVERO's entry, if it were within the Station's ability.
3. Regardless of the validity of EDWARDIR/J's allegations, it is quite apparent to the extent and the Station that EDWARDIR/J is upset and worried about the possibility of COAVERO entering the PNP and disseminating with other party members, details of EDWARDIR/J's past activities and contacts. As a supplementary factor, it was also felt that COAVERO's extremely limited ability, potential, and access would not be worth the security risks involved. In the interest of security and agent morale, the Station decided to stop COAVERO's penetration attempt, diverting him temporarily, to provide a fuller coverage on communist labor (COMINT) activities, and to perform spotting tasks for the Station.
4. At a contact on 13 July 1959, HUARAHAW set up a contact plan, and instructed COAVERO in the Station's vicinity. COAVERO reported without question, and a meeting with the Station has been scheduled for 5 August 1959.
5. An investigation of the COAVERO family is being conducted by the Station.

REFERENCE(S)

1. As recorded in Headquarters files, HORNAYE's brother-in-law, Mario CORDEO Calderon, Costa Rican, residing in San Juan Tibas, San Jose, Costa Rica, was once a member of the Costa Rican CP. Mario's first loyalty had been to the CALDERONISTA party, but since the latter was allied with the CP, a great deal of recruitment had taken place within the allegiance. Mario drifted from CP militancy shortly after the 1948 revolution.
2. If the organization so desires, all the factors are present for the recruitment of Mario and return to CP militancy with a low to medium level penetration as the objective. These factors are as follows:
 - a. Mario CORDEO has been caretaker and therefore living in HORNAYE's house in Costa Rica for the past two years. On two occasions during visits in 1956 and 1957, HORNAYE conversed at some length with Mario concerning the Costa Rican CP. Mario indicated very emphatically that he was disgusted with them (party leaders) because of the corruption.
 - b. Letters received from Mario during the past year have indicated no change in this attitude. Mario is extremely grateful to HORNAYE for this period of residence without paying rent. (Mario is a shoemaker of humble means).
 - c. HORNAYE is reasonably certain that Mario CORDEO would accept such an offer and could return to CP militancy without security problems. It is believed that with a little guidance and manipulation, Mario could become a medium level penetration with a relatively short time. While not having more than an elementary school education, Mario is a stolid type; sincere and determined in his own way. Once satisfied that he could improve his lot by this service, he would lend a sturdy and reliable service.

		EE: "433" - (CHECK "X" ONE) <input checked="" type="checkbox"/> MARKED FOR INDEXING <input type="checkbox"/> NO INDEXING REQUIRED <input type="checkbox"/> INDEXING CAN BE JUDGED BY QUALIFIED HQ DISK ONLY
REFERENCE A. BMM-T-595 B. BMM-S-559 → 10 March 1959		

1. Attached, per Headquarters instructions in reference B., are the required documents from Harold R. ROEMAYR applying for reimbursement for medical treatment required by his dependent daughter. These include Form 1126, receipts for payments and a statement from the attending physician as to the treatment given. The physician's statement merely indicates that he provided medical care and a biopsy, without delving into the nature of the illness, his diagnosis or specific treatment. Mrs. ROEMAYR was unable to obtain any further declaration from the physician and security considerations prevented her from becoming more demanding on this point.
2. If Headquarters requires a more elaborate statement, would it be permissible for ROEMAYR to certify as to the missing aspects from the physician's statement? Otherwise, no other document of this nature is available.

1. In answer to your queries of reference, we wish to direct your attention to FHB 20-620-1, dated 28 November 1958, which provides information on overseas medical benefits available from KUBARK. This new handbook should be of great help in the future on questions of this nature as it sets forth in one place KUBARK provisions for employee and dependent medical benefits, together with the procedures required.
 2. Section 2a of the handbook specifically states that Career Agents, if they are full-time employees and citizens of PBPKME, may receive all medical benefits available to Staff Employees. Section 3a also specifically states that Career Agents, if they are full-time employees and citizens of PBPKME, are eligible to receive the benefits of the KUBARK dependent medical program.
 3. We suggest that Subject forward to Headquarters receipts for his dependent medical expenses, together with a statement from his physician attesting to the nature of the illness, his diagnosis and treatment. Subject should also execute Form No. 1126 as requested in Section 5a of the handbook. He will submit the claim to the Office of Personnel for their review and determination of any allowable reimbursement.

1. Harold R. NOEMAYR, a Career Agent, is incurring medical expenses from the required hospitalization and medical/surgical treatment of one of his minor dependents. He wishes to know if he is covered by insurance that includes the above type of expenses for his dependents.
2. It is noted that reference regulation mentions in general terms that Career Agents are usually entitled to the same benefits as Staff Employees. However, since the Station does not have a copy of NOEMAYR's contract, it is requested that Headquarters check his personnel file to determine if he and his dependents are all covered by some manner of hospitalization plan and, if so, what the exact terms are that this plan covers.

Cuban Asks to Be Shot For Plot to Kill Castro

HAVANA (AP) — A former Cuban army major has asked a revolutionary tribunal to sentence him to death because he agreed to shoot Prime Minister Fidel Castro.

"To the wall. To be executed, that is what I want," Rolando Cubelas told the tribunal yesterday.

He and six other Cubans are on trial, accused of plotting to assassinate Castro with the U.S. Central Intelligence Agency and Cuban exile leader Manuel Artime.

"I was the victim of my weaknesses and contradictions,"

Cubelas said. "I simply fell into the hands of the enemy."

"If I have to die, I will do it yelling, 'Viva la revolucion, fatherland or death, we will win.'"

Death Asked for Three

At the opening of the trial in La Cabana prison fortress, prosecutor Jorge Segura asked the death penalty for Cubelas, former Maj. Ramon Guin, Jose Gonzalez Gallareta and Alberto Blanco Romariz.

He asked 30-year prison terms for Juan Alsina Navarro, Guillermo Cunil Alvarez and Angel Herrero Veliz.

Guin is charged with knowing about the plot, concealing it and spying for the CIA.

Cubelas testified that Artime persuaded him to join the plot during a meeting in Madrid on Christmas Day, 1964. He said that in February, 1965, Artime gave him a high-powered telescope and a silencer for his rifle, and he agreed to shoot Castro from a distance of about 800 yards.

In Hands of Enemy

"This was a cowardly act," he said. "I fell in the hands of the enemy."

Cubelas said the meeting was arranged by a Cuban resident of Madrid and by Odon Alvarez de la Campa, a former counselor to the Cuban embassy in the Spanish capital who defected in March, 1963.

About 500 persons, including Cuban and foreign newsmen, attended the session of the trial.

Schirra Ponders Settling in Perth

PERTH, Australia (AP)—American astronaut Walter M. Schirra Jr. says he is seriously considering settling in Perth when he is through with outer space.

Navy Capt. Schirra and Air Force Col. Frank Borman orbited around the capital of western Australia today, meeting political and civic leaders and other residents of the "City of Lights."

Perth is the site of a tracking station for U.S. space flights and puts on its lights when American astronauts fly over the area at night. Schirra during his six-orbit flight Oct. 3, 1962, radioed the station that he had spotted the lights during his second orbit.

About 500 persons, including Cuban and foreign newsmen, attended the session of the trial.

Two Ex-Majors Arrested in Cuba As CIA Agents

HAVANA (AP)—Two former Cuban Army men, one of whom played a key role in Fidel Castro's rise to power, have been arrested on charges of counter-revolutionary activities for the U.S. Central Intelligence Agency.

The Interior Ministry announced last night that Dr. Rolando Cubela and Ramon Guin, both former majors, had been arrested for "actions which seriously involve them in counter-revolutionary activities" with the CIA.

Cubela, a physician, has been director of Havana's Fajardo Hospital. Before the overthrow of Fulgencio Batista's regime, he was a commander of Castro's guerrilla forces in the Escambray Mountains.

After Castro took over, he became first president of the Federation of University Students at Havana University.

No information was given on Guin.

NAME ON THE FILE

(a) All information on the file originates from the family, the Mayaguez incident, and the political situation in Cuba. It is believed that the information is reliable, and items are of value and full information is in the files of Washington.

(b) It appears probable that the family has

REALLY SENSITIVE INFORMATION IN THEIR MINDS. They have a desire for their son and wife to return home. Some time ago in the area of GOMBERG CUBAS, JACOB FELMAN was found dead on a doubleboard, presumably shot, execution style off the Cuban coast while en route with another citizen abroad.

During the last few months he has been a major player of the plot, starting the word around a generation of men with black dreams of a revolution in Cuba (the Yunn) form.

The man (a) the brother, ALFONSO CUBAS, who is in Miami, has been quite openly supporting his efforts to join MIER (Generalissimo FI (Confidential document with ^{initials} A.M.) is also interested in the plot.

MEMORANDUM FOR : Chief, CI/0A
SUBJECT : AMLASH-1 C-101080

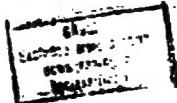

1. Reference is made to your "Request for Information" dated 31 July 1964 concerning Subject.
2. The PRQ Part II on AMTRUNK-10 (201-142291) contains certain errors which are being struck: AMLASH-1 is not a Headquarters internal asset, nor is he running any internal group. The relationship between AMTRUNK-10 and AMLASH-1 is a personal one - they have been friends for many years. AMLASH-1 is not doing anything whatsoever at the present time inside Cuba which has anything to do with any KUBAK operation, plan, activity; in addition, he is not furnishing any Political or Foreign Intelligence. A FOA was requested on him in June of 1962 for recruitment as a possible defector. He returned to Cuba and has resumed his career as a surgeon. He is working with the cardiology department of the Manuel Fajardo Hospital.
3. Station JMWAVE is being advised of the above.
